

## Draft Richmond Conservation Area Appraisal and Management Proposals

### Consultation questionnaire

There is a Conservation Area covering part of Richmond. This is in recognition of the special architectural or historic character of the area. To best preserve and enhance this character we need to understand the significance and identify what is of special interest and then record how this can be protected.

A draft Conservation Area Appraisal and Management Proposals has been developed and your views would be appreciated. The full document is available to view online at [richmondshire.gov.uk/planning](http://richmondshire.gov.uk/planning). If you prefer, this form can be completed online at the same address.

Please return this completed form to Richmondshire District Council at Mercury House, Richmond or one of our community offices in Colburn, Leyburn, Reeth or Hawes.
