All accommodation 'sheltered or 'elderly persons' will only be allocated to people over 60 years of age.

General purpose accommodation is awarded to people from 16 to 60 years of age. Anyone under the age of 18 will need a guarantor prior to accommodation being granted. The type/size of accommodation offered will be based on the household size - a single person would normally be considered for either a bedsit or one bedroom accommodation, a family unit with one dependant would normally be considered for two bedroom accommodation.

GUIDE TO COUNCIL PROPERTY AVAILABILITY

The information in this guide is based on the turnover of accommodation from April 1, 2014 to 31 March 2015 and not our current availability.

It is designed to help you make choices about where you want to live and the type of accommodation you want to live in. The rate at which Council properties become vacant depends on the area and the type of accommodation. This information should only be used as a general guide - the actual turnover of accommodation may vary significantly from year to year.

The areas where Council accommodation became available are listed in alphabetical order. Select an area and look at the properties which fell vacant during the given year. If you are looking for a four bedroom home and only one has become vacant in the last 12 months, it is likely they do not become available often and it may be better to opt for a smaller property.

Key:

EP = Elderly persons

GP = General purpose

S = Sheltered
