

## LOCAL PLAN 1999-2006

Following the adoption of the Richmondshire Local Plan 2012-2028: Core Strategy on 9 December 2014 all saved policies within the Richmondshire Local Plan 1999-2006 except Policy 23 - Development Limits are now superseded and no longer saved.

Policy 23 - Development Limits will be saved until development limits and land use allocations are updated in the Local Plan 2014-2035, but it is modified by Core Policy CP4, which enables the assessment of development proposals both within and adjacent to the areas defined in Policy 23. This is necessary to ensure that the Council's statutory development plan is consistent with the National Planning Policy Framework (NPPF). Policy 23 development limits were first defined in the mid 1990's and are out of date under NPPF para 14.
