What happens after the consultation?

Once the consultation closes, we will read and analyse all the comments we receive, known as 'representations'. We will produce a schedule of representations, which we will publish on our website.

Your views, along with the evidence that supports the Local Plan and the outcome of the Sustainability Appraisal will be used to help develop our new Local Plan to the next stage of Preferred Options. This is where we will set out what we think is the best strategy to deliver Richmondshire's needs.

We will carry out further public consultation on the preferred options, which will include specific sites for possible allocation for certain types of development in the new Plan and the Catterick Area Masterplan. At this time we expect this consultation will take place in summer 2019.

By responding to this consultation you will automatically be notified of future Local Plan consultations.
