11 Notice of Motion – To consider the following Notice of Motion proposed by Councillor John Blackie under Council Procedure Rule 11:

“This Council believes the community of healthcare provision must be based upon the needs of an individual so it is deeply concerned to read of the cutbacks in the assistance given to patients to attend a hospital clinic as provided by the Yorkshire Ambulance Service Patient Transport Services (PTS) and commissioned by the Hambleton, Richmondshire and Whitby (HRW) Clinical Commissioning Group.

The cutbacks have a disproportionate impact that falls most heavily on patients in rural communities like all those throughout Richmondshire placed furthest from the hospitals that serve them, and it notes with dismay there has been no consultation whatsoever before they have been implemented on October 1st.

It calls upon the HRW Clinical Commissioning Group and the Yorkshire Ambulance Service to attend a meeting of a Scrutiny Committee or the Corporate Board at Richmondshire District Council to explain the changes it has made, whilst hearing of the anxieties they have caused amongst patients, and until this meeting has taken place to suspend their implementation.”
